

WARRANTY CARD

Warranty claim procedure:

Please report the defective GEN2 Battery Module to DC Rebel (Pty) Ltd with this warranty card completed.

An authorised reseller must report any defect equipment to DC Rebel (Pty) Ltd with all the necessary information.

A duplicate of this warranty card is to be kept by the installer or end user.

This Warranty Card is for a 5 year extension warranty on GEN2 LiFePO4 Battery Pack upon purchasing a Battery Equalizer from DC Rebel (Pty) Ltd

Please fill in the required information below when your device is defective, scan and send it to your supplier or email your supplier with all the information
